19:18:43 From Nancy Chapin : Amanda: Are you interested in attending the Hawthorne Blvd. Business Assn. Board Meeting on Wed. morning at 8am via Zoom?

19:19:50 From Heather Flint Chatto : Nancy, please post a link if you can to the agenda and zoom

19:21:12 From Nancy Chapin : prefer an email address to send to

19:21:26 From Amanda Stone : Nancy - thankyou! I'd love to but am likely to be in a plane over the Pacific at that time. I'd otherwise love to be involved in any other opportunities in the next little while.

19:24:49 From LONI (she) TJ (he) : @Nancy Chapin, I've been told that the Division business association is defunct. I asked many merchants if they planned anything for the New Years. Nope. What's happened. Can we have some discussion about local economic vitality on Division?

19:27:23 From Rob Nosse : rep.robnosse@oregonlegislature.gov

19:54:39 From Amanda Stone : Zef, is this the best link for information on greenways? <https://www.portland.gov/transportation/what-are-neighborhood-greenways> I have had many messages from Melbourne cyclists keen to know more about Portland's cycling programs.

20:08:07 From Allen Field : Even w/ lower volume of traffic, you're still going to have pissed off people in cars, and a 34th diverter could add to that problem

20:11:09 From Heather Flint Chatto : I would be very supportive of an open house for the public engagement on further greenways

20:15:49 From Brian Hochhalter : Zef, are the diagrams of the proposed diverters at 34th and Hawthorne and 34th and Division available to view online?

20:16:57 From Amanda Stone : Thanks everyone. It's bedtime in Montreal. What an interesting, informed and respectful discussion. Thanks for having me sit in. (We have the same debates around cycling in Melbourne.) 😊

20:18:02 From Amanda Stone to Allen Field(Direct Message) : Thanks so much for the invitation Allen. I need to head off now but have found this invaluable. Great work all round. Amanda.
