19:30:48 From Allen Field to Claude Sakr(Direct Message) : when is his 30 mins up?
19:31:55 From Claude Sakr to Allen Field(Direct Message) : Replying to "when is his 30 mins ..."

12 minutes so far

19:33:03 From Claude Sakr to Allen Field(Direct Message) : Just hit 13 minutes
19:37:01 From Heather Flint Chatto : There is also a live Paint-a-thon 8/24-8/25 in Director Park Plaza and FREE YOGA in Director Park Plaza every Tuesday and Friday 8-9 am through end of August. It's a lovely way to start the day and very relaxing with the fountain there.

Part of the reason we are putting on these events in Director Park is bringing people back to downtown and showing that Portland is active, welcoming and has safe public spaces.

19:39:43 From robin denburg to Allen Field(Direct Message) : Great question
19:50:30 From Heather Flint Chatto : Can the letter be screen shared for the public?

19:58:20 From JoAnne Knowles : Sorry, my video isn't working so I can't wave my hand. But I'm here and I would like speak when possible.
19:58:27 From JoAnne Knowles : JoAnne
20:03:31 From Allen Field to JoAnne Knowles(Direct Message) : does your mic not work? Debby called on you to ask your question
20:04:18 From JoAnne Knowles to Allen Field(Direct Message) : My camera is out (?) and the mic seems to be with the camera.
20:06:39 From Allen Field : well said Heather
20:07:43 From JoAnne Knowles to Allen Field(Direct Message) : I agree with Brian--there is a lot of traffic on 39th, both directions. There is congestion often if anything (road repair, for example) gets in the way. I can't imagine that this will not slow down traffic, and yes, drivers may choose other routes. In addition, there is no guarantee that an intoxicated driver won't cross right across the lanes and wind up at the curb anyway, endangering pedestrians and people waiting

for a bus.

20:08:12 From Allen Field : If PBOT is putting in Rose Lane post haste from 84 to Stark, maybe we and the community should see how that plays out

20:09:06 From JoAnne Knowles to Allen Field(Direct Message) : Yes, I agree with Allen.

20:09:24 From Rob Galanakis : My email is rob.galanakis@gmail.com if anyone wants to follow up

20:09:50 From Eric Swehla : Thanks Rob! I think you did a great job of contrasting the low cost of painting vs. the high value of human life. Seems like a great attempt to solve a problem.

20:10:46 From JoAnne Knowles to Allen Field(Direct Message) : On my behalf, N

20:10:58 From JoAnne Knowles to Allen Field(Direct Message) : Oops, no.

20:15:53 From JoAnne Knowles to Allen Field(Direct Message) : JoAnne

20:16:35 From Allen Field to JoAnne Knowles(Direct Message) : how do you vote on this Joanne?

20:17:56 From Nancy Chapin : Portland needs to acknowledge the needs of its elder population - many of whom have no Tri-met lines, no close services and can't walk or ride a bicycle to get to services, food, work etc. (Regarding 300,000 people over 65 (estimated by 2030) needing to take care of ourselves and our life needs.

20:23:00 From Eric Swehla : Thanks, Heather! And Claude!

20:32:09 From Ann & Ray Clack : www.vanveenheritagegarden.org

20:32:48 From Jennifer Maffei : Thank you all. Family duty calls. Lots of rich information tonight! Love the VanVeen gardens!

20:36:05 From Allen Field : can we stop the screen share?

20:41:56 From Heather Flint Chatto : You might look into Portland Clean Energy Fund grants and PGE Renewable Development Fund - happy to talk more with you about your efforts and how you might tap additional funding. Heather Flint Chatto - foragedesigner@gmail.com

20:43:47 From Heidi Barth : Replying to "You might look into ..."

Thank you, Heather. We will be in contact with you.

20:43:56 From Ann & Ray Clack : Reacted to "You might look into ..." with 

20:49:09 From Heather Flint Chatto : Next Meeting is on Monday, September 11th in case you want to mark your calendar. Land Use Transportation & Sustainability Committee meeting will be Tuesday, September 26th.

20:56:09 From Heather Flint Chatto : I think it is also somewhat helpful for the community to hear some parts of the convo to know how we are working on our board growth and development. The community may have feedback for us too. We also discussed the idea of a survey for the community which I would encourage as well.

21:00:30 From Heather Flint Chatto : Erik, can you put your email into the chat?

21:11:14 From Eric Swehla : I think using jrange.eswehla@gmail.com is the best email for me.

21:11:41 From Craig Mosbaek & Fran Davison : Thanks everyone! Good meeting.

21:11:48 From Heather Flint Chatto : Thanks Eric - lets talk
